**Mission statement:** Camp Artism champions a safe and successful transition from school to summer enrichment, through trade skills development and digital art programs that foster agency and autonomy for autistic youth and adults. Curated workforce development workshops that focus on practical vocational skills, creative arts passion + purpose, all while building positive self esteem, interactive safety planning and awareness, for a pathway to independent success within a collaborative community that highlights workmanship with military veterans, teachers, first responders, c-suite leadership teams, and workplace advocates; totaling over 100 immersive community engagement partnerships.
